

ROUTEMASTER SCHOOL BUS SEATS

The Driver's Seat of Choice

The National aftermarket school bus seat lineup spans all major school bus models and is designed to meet all of your drivers' needs. Offering three seat classes provides you with the product and quality you've come to expect from National Seating products.

These three models deliver all of the comfort features demanded by your drivers. The Routemaster series include a total of seven inches of fore/aft adjustment for improved pedal-reach over the competition's seats.
