

COMMANDER

with Right-Hand In-Board Button Controls

THE FLEET SEAT OF CHOICE

The Commander series, is renowned for its durability, dependability, and ergonomic support.

Designed with input from over 2,000 drivers, it features air lumbar support that outperforms the mechanical lumbar options offered by competitors.

Now available in six models with Right-Hand button controls, specifically for in-board truck cab configurations, these seats offer either 3 or 6 button options to provide the ultimate in driver comfort and reduce downtime from fatigue.
